THE FLORIDA BAR,

Petitioner,

v.

COLLEEN E. HUOTT,

Respondent.

Supreme Court Case  
No. SC21-383

The Florida Bar File  
No. 2021-50,468(15C)OSC

---

**THE FLORIDA BAR'S AMENDED PETITION FOR CONTEMPT AND  
ORDER TO SHOW CAUSE**

The Florida Bar, petitioner, pursuant to Rule 3-7.11(f), Rules Regulating The Florida Bar, files this Petition for Contempt and Order to Show Cause, and states:

1. A copy of the Grievance Committee Finding of Non-Compliance and Failure to Respond to Official Bar Inquiry and Contempt is attached to this Petition as "**TFB Exhibit A.**"

2. As of the date of the service of this Petition, respondent has failed to respond to an official bar subpoena duces tecum.

3. This is the second petition for contempt pending before this Court.

4. Respondent failed to respond to this Court's Order to Show Cause in the SC21-96, which was due on February 10, 2021. In that case,

respondent also failed to respond to eight separate grievances, including two trust account overdraft notices.

5. Since those two overdrafts, the bar has received six additional trust account overdraft notices pertaining to the same trust account, attached hereto as **“TFB Composite Exhibit B.”**

6. The bar issued a subpoena requesting trust account records, which is the subject matter of this Petition for Contempt. Despite acceptance of said subpoena via email,<sup>1</sup> respondent has failed to comply. See p. 11 of **“TFB Exhibit A.”**

7. Respondent has impeded the bar’s investigation in to whether she has misappropriated funds belonging to her clients or others.

8. Respondent has recently received two additional grievances, which she has failed to respond to, which may require the filing of a third petition for contempt soon. Respondent’s actions have become a drain on the bar and this Court’s resources during a pandemic in which our administration is already working under dire circumstances and limited resources.

---

<sup>1</sup> Since respondent was not responding to her record bar email address or record bar U.S. mailing address, the bar used its investigatory resources to discover a personal AOL email address.

9. The gravamen of most of the complaints is that respondent accepted representation, and in some cases funds, to represent the clients, failed to do work in furtherance of said representation and failed to communicate with the clients despite several attempts.

10. Respondent has abandoned her legal practice and her obligations to the bar and should be disbarred. *The Florida Bar v. Ribowski-Cruz*, 529 So. 2d 1100 (Fla. 1988)(Attorney, who abandons her law practice without notice to her clients and without taking any steps to allow clients or Bar to contact her, will be disbarred.); see also *The Florida Bar v. Kovacs*, SC18-373, 2018 WL 2214294 (Fla. May 15, 2018)(disbarring Kovacs after failing to comply with a grievance committee subpoena and this Court's Order to Show Cause).

11. The other members of The Florida Bar should not have to pay for respondent's failure to respond to an official bar subpoena duces tecum and the initiation of the instant proceeding. Therefore, the bar is requesting administrative costs of \$1,250.00 against respondent.

WHEREFORE, The Florida Bar requests that this Court disbar respondent.

Respectfully submitted,
