2ND JUDICIAL CIRCUIT, IN AND FOR  
LEON COUNTY, FLORIDA

**AMERICAN EXPRESS NATIONAL BANK**  
Plaintiff,

vs.

CASE NO.: 2018 CA 001283  
DIVISION:

**JENNIFER HOWARD**  
Defendant.

---

**COMPLAINT**

Plaintiff(s), AMERICAN EXPRESS NATIONAL BANK (“American Express”) by its/their attorneys, sues defendant(s) JENNIFER HOWARD (“HOWARD”), and hereby allege(s) as follows:

**GENERAL ALLEGATIONS**

AMERICAN EXPRESS NATIONAL BANK<sup>1</sup> (American Express) is a national bank under the laws of the United States of America with its offices located at 4315 S. 2700 West, Salt Lake City, Utah, 84184 (herein singularly or collectively referenced as “American Express”).

1. This is an action for damages that does exceed \$15,000.00.
2. Upon information and belief, Howard was and is at all relevant times an individual residing in Leon County in the State of Florida, at 9682 Deer Valley Drive, Tallahassee, Florida 32312.

[1] On April 1, 2018 American Express Centurion Bank changed its name to American Express National Bank. See, <https://www.occ.treas.gov/topics/licensing/interpretations-and-actions/2018/interpretations-and-actions-jan-2018.html>. See also, 12 U.S.C. § 35; 12 CFR 5.24.

### The Facts

3. At all relevant times, Howard was the holder of a(n) American Express Platinum Card that enabled him/her to charge items to a(n) Platinum Card (Account No. xxxx-xxxxxx-x[REDACTED]) (the "Account").

4. At all relevant times, Howard was the basic card member on the Account and thus is responsible for paying all amounts charged to the Platinum Card Account.

5. By accepting and using the Platinum Card, Howard agreed to all of the terms and conditions set forth in the "Platinum Card Member Agreements Agreement Between Platinum Card Member and American Express Centurion Bank" (the "Cardmember Agreement"). The Cardmember Agreement was provided to Howard with the Platinum Card. A copy of the cardmember agreement is attached hereto and made a part hereof as Exhibit "A".

6. The terms of the Cardmember Agreement, include the following:

- a. to pay all amounts charged to the Account by either Howard or any additional cardmember or additional account user;
- b. to pay finance charges on unpaid balances;
- c. to pay the "Minimum Amount Due" by the due date indicated on the monthly billing statements mailed by or on behalf of American Express;
- d. that if the Minimum amount due was not paid by the date given on the monthly statements the Account would become delinquent and American Express could assess late fees and declare the Account in default (as that term is used in the Agreement);
- e. that once Howard is in default on the Account, American Express may declare the entire balance immediately due;
- f. Howard further agreed that in the event of default (as that term is used in the Cardmember Agreement) he/she would pay all reasonable costs incurred by American Express in protecting itself from any harm it may suffer as a result of the default; including but not limited to reasonable attorneys' fees incurred in collecting the balance due and court costs.

7. Howard used the Platinum Card to charge various items to the Account for which payment never was made.

8. American Express sent monthly statements to Howard for the Account, showing the balance due on the Account. A copy of the statement is attached hereto and made a part hereof as Exhibit "B".

9. Howard violated the Agreement by refusing to remit the Minimum amount due indicated by the monthly statements.

10. Howard's failure to pay the Minimum amount due constituted a default under the Agreement and lead to the account becoming delinquent. As a result, American Express suspended Howard's charge privileges on the Account and the outstanding balance became due in its entirety.

11. The account balance is \$134,797.36.

**COUNT I**  
**Breach of Contract**

12. Plaintiff(s) repeats and realleges each and every allegation contained in paragraphs 1 through 11 of this complaint as though fully set forth at length herein.

13. Howard agreed to pay for all items charged to the Account, plus finance charges and late fees. In addition, Howard agreed to pay American Express court costs and reasonable attorneys' fees in the event that American Express must refer the Account to its outside attorneys for collection.

14. Howard is currently indebted to American Express for unpaid card charges, finance charges and late fees totaling \$134,797.36.

15. Despite due demand, Howard refuses to pay American Express any portion of the outstanding balance due and owing.

16. As a result Howard's refusal to pay the outstanding balance, American Express referred its claims against Howard to its attorneys for collection.

17. Howard's continuing refusal to pay compelled the aforementioned attorneys to commence the current action, thereby entitling American Express to collect from Howard court costs.

18. By reason of the foregoing, American Express National Bank is entitled to judgment against Jennifer Howard for the sum of \$134,797.36 for breach of contract plus court costs.

**WHEREFORE**, Plaintiff(s) American Express National Bank requests judgment against defendant, Jennifer Howard in the sum of \$134,797.36 plus court costs for such other and further relief as this Court deems just and proper.

**COUNT II**  
**Account Stated**

19. Plaintiff(s) repeats and re-alleges each and every allegation contained in paragraphs 1 through 18 of this complaint as though fully set forth at length herein.

20. American Express duly issued and sent to Howard the monthly statements, which set forth in detail all items charged to the Cardmember Account and the total minimum amount due and owing by Howard to American Express.

21. Howard received the monthly statements without giving protest or indication that they were erroneous in any respect. Howard thereby acknowledged that the debt owed to American Express, as set forth in the monthly statements, is true and correct.

22. By reason of the foregoing, American Express National Bank is entitled to judgment against Jennifer Howard for an account stated in the amount of \$134,797.36 plus court costs.

**WHEREFORE**, Plaintiff(s) American Express National Bank requests judgment against defendant, Jennifer Howard in the sum of \$134,797.36 plus court costs for such other and further relief as this Court deems just and proper.

**COUNT III**  
**Unjust Enrichment**

23. Plaintiff(s) repeats and re-alleges each and every allegation contained in paragraphs 1 through 22 of this complaint as though fully set forth at length herein.

24. Howard benefited from all of the charges made to the Account, has acknowledged receipt of those benefits, and has failed to pay for same.

25. Howard has been unjustly enriched to American Express' detriment.

26. By reason of the foregoing, American Express National Bank is entitled to judgment against Jennifer Howard for unjust enrichment in an amount to be determined at trial, plus court costs.

**WHEREFORE**, Plaintiff(s) American Express National Bank requests judgment against defendant, Jennifer Howard in an amount to be determined at trial plus court costs, and for such other and further relief as this Court deems just and proper.

To **pay** by a certain date means to send your payment so that we receive it and credit it to your Account by that date (see *About your payments* in Part 2).

#### Declined transactions

We may decline to authorize a charge. Reasons we may do this include suspected fraud and our assessment of your creditworthiness. This may occur even if your Account is not in default.

We are not responsible for any losses you incur if we do not authorize a charge. And we are not responsible if any merchant refuses to accept the card.

#### About Pay Over Time features

We may add *features* to your Account that allow you to pay certain charges over time. These features include Select & Pay Later, Sign & Travel® and the Extended Payment Option.

outside the U.S. If you enroll in the Extended Payment Option, we will automatically place all eligible charges into a Pay Over Time balance. A charge is eligible if it equals or is more than a certain dollar amount. We will tell you this amount when you enroll, and it is subject to change. We will tell you if we change it. Certain charges are not eligible, such as cash and similar transactions.

Select & Pay Later lets you pay a charge over time in two ways. You may ask a travel industry merchant at the time you make the charge, or ask us after the charge appears on your statement. If we approve your request, we will place the charge into a Pay Over Time balance. If we decline your request, you must pay the charge in full upon receipt of your billing statement.

We will not place any charge into a Pay Over Time balance if it causes the total of your Pay Over Time balances to go over \$35,000. We will tell you if we change that amount. You must pay in full all charges that are not placed into a Pay Over Time balance upon receipt of your billing statement. We may change which charges are eligible to be placed into a Pay Over Time balance.

If you enroll in Sign & Travel, we will automatically place eligible travel-related charges into a Pay Over Time balance. Some examples are airline and cruise ship tickets, hotels, car rentals and charges made

## About your payments

---

### When you must pay

Payment of the New Balance is due upon receipt of your statement. If a statement includes a Pay Over Time balance, it will show a Minimum Payment Due. In this case, you must pay at least the Minimum Payment Due by the Payment Due Date. Each statement also states the time and manner by which you must make your payment for it to be credited as

of the same day it is received.

Each statement also shows a Closing Date. The Closing Date is the last day of the billing period covered by the statement. Each Closing Date is about 30 days after the previous statement's Closing Date.

---

### How to make payments

Make payments to us in U.S. dollars with: a single check drawn on a U.S. bank, or a single negotiable instrument clearable through the U.S. banking system, for example a money order, or an electronic payment that can be cleared through the U.S. banking system.

your billing statement. If we receive it after that time, we will credit the payment on the day after we receive it.

If your payment does not meet the above requirements, there may be a delay in crediting your Account. This may result in late fees and additional interest charges (see *How Rates and Fees Work* on page 2 of Part 1).

When making a payment by mail: make a separate payment for each account, mail your payment to the address shown on the payment coupon on your billing statement, and write your Account number on your check or negotiable instrument and include the payment coupon.

If we decide to accept a payment made in a foreign currency, we will choose a rate to convert your payment into U.S. dollars, unless the law requires us to use a particular rate.

If your payment meets the above requirements, we will credit it to your Account as of the day we receive it, as long as we receive it by the time disclosed in

If we process a late payment, a partial payment or a payment marked with any restrictive language, that will have no effect on our rights and will not change this Agreement.

---

### How we apply payments and credits

If a statement includes a Pay Over Time balance, it will show a Minimum Payment Due. The Minimum Payment Due is the Pay In Full New Balance plus the Pay Over Time Minimum Due.

rate and then to balances with higher interest rates.

If you have a Pay Over Time balance, we generally apply payments up to the Minimum Payment Due first to the Pay Over Time Minimum Due and then to the Pay In Full New Balance. When applying a payment to the Pay Over Time Minimum Due, we apply it first to the balance with the lowest interest

After the Minimum Payment Due has been paid, we apply payments to the remaining Pay Over Time balance. When we do this, we apply payments first to the balance with the highest interest rate and then to balances with lower interest rates.

In most cases, we apply a credit to the same balance as the related charge. We may apply payments and credits within balances, and among balances with the same interest rate, in any order we choose.

---

## About your Minimum Payment Due

---

### How we calculate your Minimum Payment Due

The Minimum Payment Due is the Pay In Full amount plus any Pay Over Time Minimum Due.

To calculate the Pay Over Time Minimum Due for each statement, we start with the **highest** of the following three amounts:

#### **EXAMPLE: Pay Over Time Minimum Due**

*Assume that your Pay Over Time New Balance is \$3,000, interest is \$29.57 (see the example on the next page), and you have no Pay Over Time amounts past due.*

- (1) 2% of the Pay Over Time New Balance; **or**
- (2) interest charged on the statement plus 1% of the Pay Over Time New Balance (excluding interest on the statement), not to exceed 4% of the Pay Over Time New Balance; **or**
- (3) \$20.

(1)  $2\% \times \$3,000 = \$60.00$

(2)  $\$29.57 + 1\% \times (\$3,000 - \$29.57) = \$59.27$

(3)  $\$20.00$

Then we round to the nearest dollar. After that, we add any Pay Over Time amount past due.

*The **highest** of the three amounts is \$60.00.*

However, your Pay Over Time Minimum Due will not exceed your Pay Over Time New Balance.

*So the **Pay Over Time Minimum Due** is \$60.00.*

---

### Adjusting your Pay Over Time Minimum Due

If you regularly pay more than the Minimum Payment Due described above, we may adjust the Pay Over Time Minimum Due in future billing periods. This may let you make a smaller minimum payment from time to time. But if you then do not regularly pay more than the Minimum Payment Due described above, we will stop making the adjustment and return to the formula above. If we start or stop making the adjustment, we will do so for at least six billing periods in a row. To adjust the Pay Over Time Minimum Due, we will not add 1% of the Pay Over Time New Balance in (2). Then, if (2) is the highest (but less than 4% of the Pay Over Time New Balance), we will add \$15.

*continued on next page...*

...continued from previous page

We will do this if over six billing periods the sum of payments credited to your Pay Over Time balance is more than the sum of the Pay Over Time Minimum Dues (not adjusted, except any Pay Over Time amount past due is counted only in the first of those six periods). We will also make the adjustment if over six billing periods the sum of the Pay Over Time Minimum Dues (not adjusted) is not more than \$120 and equals the sum of payments credited to your Pay Over Time balance. However, we will not make the adjustment if the sum of the Pay Over Time Minimum Dues is zero and we did not adjust the Pay Over Time Minimum Due the last time it was not zero.

---

## About interest charges on Pay Over Time balances

---

### When we charge interest

#### For charges added at your request

We charge interest on charges that are added at your request to a Pay Over Time balance as of the date the charge is added. If you pay the Account Total New Balance on a statement by the Closing Date on the next statement, then on that next statement we will not charge interest on any Pay Over Time portion of that Account Total New Balance.

#### For charges added automatically

We charge interest on charges that are added automatically to a Pay Over Time balance beginning on the transaction date. However, you can avoid paying interest on those charges as described below.

If you pay the Account Total New Balance on a statement by the Closing Date shown on the next statement, then on that next statement we will not charge interest on those charges.

If you paid the Account Total Previous Balance on a statement by its Closing Date, and you pay less than the Account Total New Balance on that statement by the Closing Date of the next statement, then we will not charge interest on the portion of automatically added charges that we apply your payment to. But we will charge interest on the remaining portion of those charges.

Also, we will not charge interest on automatically added charges shown on a statement if the Account Total Previous Balance on that statement is zero or a credit balance.

---

### How we calculate interest

We calculate interest for a billing period by first figuring the interest on each balance. Balances within each feature such as Select & Pay Later, Sign & Travel and Extended Payment Option may have different interest rates.

We use the **Average Daily Balance method (including new transactions)** to figure interest charges for each balance. The total interest charged for a billing period is the sum of the interest charged on each balance.

#### Interest

The interest charged for a balance in a billing period, except for variations caused by rounding, equals:

$$\begin{aligned} &\text{Average Daily Balance (ADB)} \times \\ &\text{Daily Periodic Rate (DPR)} \times \\ &\text{number of days the DPR was in effect.} \end{aligned}$$

#### ADB

To get the ADB for a balance, we add up its *daily balances*. Then we divide the result by the number of days the DPR for that balance was in effect. If the daily balance is negative, we treat it as zero.

#### DPR

A DPR is 1/365th of an APR, rounded to one ten-thousandth of a percentage point. Your DPRs are shown in *How Rates and Fees Work* on page 2 of Part 1.

#### EXAMPLE: Calculating Interest

*Assume that you have a single interest rate of 15.99%, your ADB is \$2,250 and there are 30 days in the billing period.*

*The DPR is  $15.99\% \div 365 \text{ days} = 0.0438\%$*

*Interest is  $\$2,250 \times 0.0438\% \times 30 \text{ days} = \$29.57$*

#### Daily Balance

For each day a DPR is in effect, we figure the daily balance by:

- taking the *beginning balance* for the day,
- adding any new charges,
- subtracting any payments or credits; and
- making any appropriate adjustments.

We add a new charge to a daily balance as of its transaction date.

#### Beginning balance

For the first day of a billing period, the beginning balance is the ending balance for the prior billing period, including unpaid interest. For the rest of the billing period, the beginning balance is the previous day's daily balance *plus an amount of interest equal to the previous day's daily balance multiplied by the DPR for that balance. This method of figuring the beginning balance results in daily compounding of interest.*

When an interest rate changes, the new DPR may come into effect during not just at the beginning of the billing period. When this happens, we will create a new balance and apply the new DPR to it. To get the beginning balance on the first day for this new balance, we multiply the previous day's daily balance by the old DPR and add the result to that day's daily balance.

#### Other methods

To figure the ADB and interest charges, we may use other formulas or methods that produce equivalent results. Also, we may choose not to charge interest on certain types of charges.

---

<b>Determining the Prime Rate</b>	<p>We use the Prime Rate from the Money Rates section (or successor section) of <i>The Wall Street Journal</i>. The Prime Rate for each billing period is the Prime Rate published in <i>The Wall Street Journal</i> 2 days before the Closing Date of the billing period.</p> <p><i>The Wall Street Journal</i> may not publish the Prime Rate on that day. If it does not, we will use the Prime Rate from the previous day it was published. If <i>The Wall Street Journal</i> is no longer published, we may</p>	<p>use the Prime Rate from any other newspaper of general circulation in New York, New York. Or we may choose to use a similar published rate.</p> <p>If the Prime Rate increases, variable APRs (and corresponding DPRs) will increase. In that case, you may pay more interest and may have a higher Minimum Payment Due. When the Prime Rate changes, the resulting changes to variable APRs take effect as of the first day of the billing period.</p>

**Arbitration**

This Arbitration provision sets forth the circumstances and procedures under which claims may be arbitrated instead of litigated in court.

**Definitions**  
As used in this Arbitration provision, the term *claim* means any claim, dispute or controversy between you and us arising from or relating to your Account, this Agreement, the Electronic Funds Transfer Services Agreement, and any other related or prior agreement that you may have had with us, or the relationships resulting from any of the above *agreements*, except for the validity, enforceability or scope of this Arbitration provision. For purposes of this Arbitration provision, *you and us* also includes any corporate parent, or wholly or majority owned subsidiaries, affiliates, any licensees, predecessors, successors, assigns, any purchaser of any accounts, all agents, employees, directors and representatives of any of the foregoing, and other persons referred to below in the definition of claims. *Claim* includes claims of every kind and

*continued on next page...*

...continued from previous page

nature, including but not limited to, initial claims, counterclaims, cross-claims and third-party claims and claims based upon contract, tort, fraud and other intentional torts, statutes, regulations, common law and equity. *Claim* also includes claims by or against any third party using or providing any product, service or benefit in connection with any account (including, but not limited to, credit bureaus, third parties who accept the card, third parties who use, provide or participate in fee-based or free benefit programs, enrollment services and rewards programs, credit insurance companies, debt collectors and all of their agents, employees, directors and representatives) if and only if, such third party is a party in connection with the claim. The term claim is to be given the broadest possible meaning that will be enforced and includes, by way of example and without limitation, any claim, dispute or controversy that arises from or relates to (a) any of the accounts created under any of the agreements, or any balances on any such accounts, (b) advertisements, promotions or oral or written statements related to any such accounts, goods or services financed under any of the accounts or the terms of financing, (c) the benefits and services related to Cardmembership (including fee-based or free benefit programs, enrollment services and rewards programs), and (d) your application for any account. We shall not elect to use arbitration under this Arbitration provision for any claim that you properly file and pursue in a small claims court of your state or municipality so long as the claim is individual and pending only in that court.

#### **Initiation of Arbitration**

Any claim shall be resolved, upon the election by you or us, by arbitration pursuant to this Arbitration provision and the code of procedures of the arbitration organization to which the claim is referred in effect at the time the claim is filed (*code*), except to the extent the code conflicts with this Agreement. Claims shall be referred to either JAMS or the American Arbitration Association (AAA), as selected by the party electing to use arbitration. If our selection of either of these organizations is unacceptable to you, you may select the other organization within 30 days after you receive notice of our selection. For a copy of the code, to file a claim or for other information, contact either: JAMS (1920 Main St #300, Irvine, CA 92614 or jamsadr.com) or AAA (335 Madison Ave, New York, NY 10017 or adr.org).

In addition to the organizations listed above, claims may be referred to any other arbitration organization that is mutually agreed upon in writing by you and us, or to an arbitration organization or arbitrator(s) appointed pursuant to § 5 of the Federal Arbitration Act,

9 U.S.C. §§ 1-16, as it may be amended below. (*FAA*), provided that any such organization and arbitrator(s) will enforce the terms of the Restrictions on Arbitration subsection set forth below.

#### **Significance of Arbitration**

IF ARBITRATION IS CHOSEN BY ANY PARTY WITH RESPECT TO A CLAIM, NEITHER YOU NOR WE WILL HAVE THE RIGHT TO LITIGATE THAT CLAIM IN COURT OR HAVE A JURY TRIAL ON THAT CLAIM. FURTHER, YOU AND WE WILL NOT HAVE THE RIGHT TO PARTICIPATE IN A REPRESENTATIVE CAPACITY OR AS A MEMBER OF ANY CLASS OF CLAIMANTS PERTAINING TO ANY CLAIM SUBJECT TO ARBITRATION. EXCEPT AS SET FORTH BELOW, THE ARBITRATOR'S DECISION WILL BE FINAL AND BINDING. NOTE THAT OTHER RIGHTS THAT YOU OR WE WOULD HAVE IF YOU WENT TO COURT ALSO MAY NOT BE AVAILABLE IN ARBITRATION.

#### **Restrictions on Arbitration**

IF EITHER PARTY ELECTS TO RESOLVE A CLAIM BY ARBITRATION, THAT CLAIM SHALL BE ARBITRATED ON AN INDIVIDUAL BASIS. THERE SHALL BE NO RIGHT OR AUTHORITY FOR ANY CLAIMS TO BE ARBITRATED ON A CLASS ACTION BASIS OR ON BASES INVOLVING CLAIMS BROUGHT IN A PURPORTED REPRESENTATIVE CAPACITY ON BEHALF OF THE GENERAL PUBLIC, OTHER CARDMEMBERS OR OTHER PERSONS SIMILARLY SITUATED. The arbitrator's authority to resolve claims is limited to claims between you and us alone, and the arbitrator's authority to make awards is limited to awards to you and us alone. Furthermore, claims brought by you against us, or by us against you, may not be joined or consolidated in arbitration with claims brought by or against someone other than you, unless agreed to in writing by all parties. No arbitration award or decision will have any preclusive effect as to issues or claims in any dispute with anyone who is not a named party to the arbitration. Notwithstanding any other provision of this Agreement (including but not limited to the Continuation subsection below) and without waiving either party's right to appeal such decision, should any portion of this Restrictions on Arbitration subsection be deemed invalid or unenforceable, then the entire Arbitration provision (other than this sentence) shall not apply.

#### **Arbitration Procedures**

This Arbitration provision is made pursuant to transactions involving interstate commerce and shall be governed by the FAA. The arbitration shall be governed by the applicable code, except that this Agreement shall apply if there are any conflicts. The arbitrator shall apply applicable substantive law consistent

with the FAA and applicable statutes of limitations, shall honor claims of privilege recognized at law, and, at the timely request of either party, shall provide a brief written explanation of the basis for the decision.

The arbitration proceeding shall not be governed by any federal or state rules of civil procedure or rules of evidence. Any party may request that the arbitrator expand the scope of discovery by doing so in writing and copying any other parties, who shall have 15 days to make objections. The arbitrator will notify the parties of his/her decision within 20 days of any objecting party's submission. The arbitrator shall take reasonable steps to preserve privacy. The arbitrator's award shall be final and binding, except for any right of appeal provided by the FAA; however, either party shall have 30 days to appeal that decision by notifying the arbitration organization and any other parties in writing. The organization will then appoint a three-arbitrator panel which shall consider anew any aspect of the decision objected to by the appealing party. The panel shall issue its decision, by majority vote, within 120 days of the appealing party's written notice. Judgment upon any award rendered by the arbitrator or panel may be entered in any court having jurisdiction.

#### **Location of Arbitration**

Arbitration hearings you attend shall take place in the federal judicial district of your residence.

#### **Payment of Fees**

You will be responsible for paying your share, if any, of the arbitration fees (including filing, administrative, hearing and/or other fees), but only up to the amount of the filing fees you would have incurred if you had brought a claim in the state or federal court closest to your billing address that would have had jurisdiction. We will be responsible for any additional arbitration fees. At your written request, we will consider in good faith making a temporary advance of all or part of your share of any arbitration fees. You will not be assessed any arbitration fees in excess of your share if you do not prevail in any arbitration with us.

#### **Continuation**

This Arbitration provision shall survive termination of your Account; voluntary payment of the Account balance in full by you; any legal proceeding by you or us to collect a debt owed by the other; any bankruptcy by you or us; and any sale by us of your Account (in the case of a sale, its terms shall apply to the buyer of your Account). If any portion of this Arbitration provision, except as otherwise provided in the Restrictions on Arbitration subsection, is deemed invalid or unenforceable, it shall not invalidate the remaining portions of this provision.

## Your Billing Rights: Keep this Document for Future Use

This notice tells you about your rights and our responsibilities under the Fair Credit Billing Act.

### What To Do If You Find a Mistake on Your Statement

If you think there is an error on your statement, write to us at:

American Express  
PO Box 981535  
El Paso TX 79998-1535

In your letter, give us the following information:

*Account information:* Your name and account number.

*Dollar amount:* The dollar amount of the suspected error.

*Description of problem:* If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us:

Within 60 days after the error appeared on your statement.

At least 3 business days before an automated payment is scheduled, if you want to stop payment on the amount you think is wrong.

You must notify us of any potential errors *in writing*. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

### What Will Happen After We Receive Your Letter

When we receive your letter, we must do two things:

1. Within 30 days of receiving your letter, we must tell you that we received your letter. We will also tell you if we have already corrected the error.
2. Within 90 days of receiving your letter, we must either correct the error or explain to you why we believe the bill is correct.

While we investigate whether or not there has been an error:

We cannot try to collect the amount in question, or report you as delinquent on that amount.

The charge in question may remain on your statement, and we may continue to charge you interest on that amount.

While you do not have to pay the amount in question, you are responsible for the remainder of your balance.

We can apply any unpaid amount against your credit limit.

After we finish our investigation, one of two things will happen:

*If we made a mistake:* You will not have to pay the amount in question or any interest or other fees related to that amount.

*If we do not believe there was a mistake:* You will have to pay the amount in question, along with applicable interest and fees. We will send you a statement of the amount you owe and the date payment is due. We may then report you as delinquent if you do not pay the amount we think you owe.

If you receive our explanation but still believe your bill is wrong, you must write to us within *10 days* telling us that you still refuse to pay.

If you do so, we cannot report you as delinquent without also reporting that you are questioning your bill. We must tell you the name of anyone to whom we reported you as delinquent, and we must let those organizations know when the matter has been settled between us.

If we do not follow all of the rules above, you do not have to pay the first \$50 of the amount you question even if your bill is correct.

### Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us *in writing* at:

American Express  
PO Box 981535  
El Paso TX 79998-1535

While we investigate, the same rules apply to the disputed amount as discussed above.

After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

**Payments:** Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

**Permission for Electronic Withdrawal:** (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

**How We Calculate Your Balance:** We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

**Paying Interest:** If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically (for example, *Sign & Travel and Extended Payment Option*) if you pay the Account Total New Balance by the due date each month.

**Foreign Currency Charges:** If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

**Credit Balance:** A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is \$1.00 or more.

**Credit Reporting:** We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.
