Virtual Courtroom Access

We will now have one link to access the courtroom for the pre-trial. In this “courtroom”, you will use the same link to appear before the Judge via TEAMS at the designated time that your case is set for pre-trial. Once you click on the link you will enter the virtual lobby and be let in once the Judge is ready for your pre-trial. You must click on the link and appear via video conference; you are not required to appear on camera. **For emergency purposes only, if you cannot connect via video conference, the backup telephone line may be used. If you appear via telephone, this may delay your pre-trial conference.**

On the appointed day and time , attorneys for the parties and pros se parties shall contact the Court by typing in the Court’s dedicated link below into Microsoft Edge or Google Chrome web browser or by scanning the QR Code below:

<https://fl18.org/b>

NOTE: Teams works best if you download the free application. The dedicated link listed above leads to a “waiting room” where you are to remain until the Court “lets you in” to the pre-trial. Any public hearings that would normally be conducted in the Courtroom are still public hearings when conducted virtually.

Note that Safari will not work with MS Teams, and if you are connecting through Apple products, you will need to download the free app.

For emergency purposes only, if you cannot connect, the backup telephone line is

+1 386-310-1754 United States, Daytona Beach (Toll) Conference ID: 106 812 844#

If you appear via telephone, this may delay your pre-trial conference.
